

Times of the Supermen (Paperback)

By Tope Apoola

Bateleur Resources Limited, United States, 2010. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A group of wise men have found a tiny clue to an emerging hypothesis that there existed a deliberate design, somewhere on the face of the planet Mars. If this is found to be true, then they would have a reason to suspect that a legion of superior creatures once lived on Mars. Series of identical formations were also found on the surface of a rock in one undisclosed location in England. These symbols appear to have been carefully crafted by some super intelligent population many million years ago. Should there be a semantic relationship between them, scholars would purport that these ancient beings once visited the earth. Nations work to uncover the mystery symbol that is known to have formed in a prebiological time. They might be diving beyond the waters of science. After several failed attempts at securing the doctorate in a Russian University, Chekhov had ended up establishing a private laboratory where he encouraged himself more about the authenticity of the findings that his mentor always felt ashamed or afraid to discuss. He...
